

# KHTS | Knurled Toggle Clamp Screws

Inch Size

RoHS Compliant

## Knurled screw

Heat treated alloy steel, black oxide finish

## Steel pad

Heat treated alloy steel, black oxide finish

## Delrin® pad

White Delrin® plastic

Screws securely hold parts with off-angle surfaces without marring or damaging the surfaces. For use where finger-tight clamping is adequate, wide knurled head is easy to grip. Available with steel or nylon pads. Pads swivel 7 1/2° in any direction.

## Inch Table

Dimensions in: inches (millimeters)

| Part Number |             | A       | B             | C             | D              | E              | Maximim Load |
|-------------|-------------|---------|---------------|---------------|----------------|----------------|--------------|
| Steel Pad   | Delrin® Pad | Thread  | Stud Length   |               |                |                | (lbs.)       |
