

GN 728 | Aluminum Cabinet “U” Handles

Economical • Tapped or Through Hole

ISO 9001 Supplier RoHS Compliant

Handle
Pressure die-cast aluminum

Black powder-coated finish (K) is standard; for tumbled finish substitute “T” for “K” in part number

Type A
Bottom mount (blind tapped hole)

Type B
Top mount for socket head cap screws (d2: Fits metric M6 or M8 and 1/4" or 5/16" respectively)

Low cost alternative in metal.
Hole center dimension is identical in both versions, so they can be mounted in pairs opposite each other.
